

# TRANSFER REQUEST

Total Warranty Services  
PO BOX 3948  
West Palm Beach, FL 33402

## Procedures:

We will accept transfer of this Service Contract if:

- The Service Contract allows for the transfer of coverage.
- The remaining portion of the original manufacturer warranty including Powertrain warranty has not been reduced or voided, if applicable.
- A \$40 transfer fee is paid to Total Warranty Services, Inc. within 30 days of the sale to the subsequent owner.
- The Service Contract Holder provides you with all records of required maintenance applicable during the Service Contract Period.

## Transferred From:

|                              |                               |          |
|------------------------------|-------------------------------|----------|
| Name                         | Telephone (Include Area Code) |          |
| Street                       |                               |          |
| City                         | State                         | Zip Code |
| Signature Of Previous Owner: |                               |          |

## Transferred To:

|   |                               |          |
|---|-------------------------------|----------|
| Name  | Telephone (Include Area Code) |          |
| Street  |                               |          |
| City  | State                         | Zip Code |
| I have read and understand all of the terms and conditions of the Service Contract. I have paid the appropriate transfer fee amount. I also understand the transfer applies only to the remaining months and miles of the original Service Contract term. I have received from the Service Contract Holder records of all required maintenance applicable during the Service Contract Period to date and I understand that I am responsible for all maintenance that the Service Contract Holder was required to perform. |                               |          |
| Signature Of New Owner:   |                               |          |
